A perfect mess cleaner cable winder

When everything around you is a mess, it can certainly put you off within minutes. But not anymore! With the discovery of this small gadget, you can now have a clean, tidy and cable-free space whether it is for your workplace or office. The cord is long enough; about 10 cm to tie up all your cables and gives you a much tidier space to work for hours.

Secure your cables with magnetic sides

Already wondering what's so special about this cord winder? Besides being easy-to-use and handy, this cord winder comes with magnetic sides that instantly attaches as you wind it around the cable, keeping your earphone's or USB cables secure and in place.

Organise your cords in a fun way

This simple and small tool is here to save your life from the cord's mess that you usually have around your workspace. But in a fun way! This tool comes in a range of colours; from pink to purple you will find plenty of colourful winders to choose from. This cable winder will help you organise your cable wires, keep them tangle free and prevent them from scattering all over the place as well as in your handbag in a quick, simple and fun way.

All those who want a compact and cool earphone cord wire cable should buy this piece now.
