

Ultra-Lightweight 4 Wheel Soft Side Spinner Set 3 Piece Luggage Suitcase Set (Black, Navy, and Red)

EXTREMELY LIGHT- WEIGHT FOR YOUR MAXIMUM CONVENIENCE:

These attractive-looking suitcases are extremely lightweight. They are easy to carry allowing you to pack maximum items without exceeding your weight allowance. Their classy exteriors are made of hard-wearing polyester which is resilient to scratches and scuffs. Every suitcase contains a 3-digit combination barrel padlock to ensure extra security, locking in the zips together. The interior features 3 zippered pockets for conveniently storing smaller items.

360 DEGREE MANOEUVRABLE:

Travelling a lot itself can get really exhausting at times and your extra heavy luggage adds to that hassle. These stylish exterior feature 4 spinner wheels, ensuring smooth-rolling mobility in any direction; reducing the stress of pushing double spinner wheels. Its strong soft side design can collapse a bit to fit perfectly into tight spaces.

PUSH-BUTTON EXTENDABLE HANDLES:

The suitcases are comprised of double-tube aluminium handles. These handles can be extended for the total height of up to 1 metre each, however, there you will not have to strain your back. Additionally, they are very durable and strong and can easily place the other essentials and small bags on the top.

For easy loading and storage, the handles can be extended by using the push-button release mechanisms, which can also be retracted back into the suitcase. These high-quality suitcases can also fit inside each other when not in use.

ULTIMATE STORAGE SPACE:

Carrying all the necessities as possible with convenience is what you need for any flight and travelling. These suitcases have more than 100L of storage space which makes it an optimum choice for travelling. The exterior of the suitcase consist of a huge double-zipped front pocket for added storage for your essentials that you might anytime. The strong packing straps in the interior can seamlessly hold your clothes in place.
