About Us

Reewo is a credible mobile accessories company of the future. Combining style, safety and quality, we create convenient solutions for your everyday needs to help you stay at the top of your game. Reewo provides quality mobile chargers, premium headphones, and fun phone cases to take technology to the next level!

Why Choose Us

Safety

We believe in safety first when it comes to your valuable mobile devices. Keep your phones safe and secure with our large collection of durable mobile cases and charging cables.

Quality

At Reewo, quality is the utmost priority. We maintain the highest quality standards for our mobile accessories to give you the best experience possible.

Style

Style and function meet beautifully to create our collection of mobile accessories. Find your aesthetic now with stylish and modern accessories for your device.

Affordability

Quality accessories don't have to be expensive. Reewo makes premium mobile accessories affordable with the best prices and exciting bundles created just for you!

Products

1. Liquid Silicon Case:

- **The Ultimate 3-layered Protection:** Enjoy the 3-layer protection of a silicon exterior, TPE and a soft fabric interior.
- **Raised edges:** Special rounded and raised edges for a fall-safe experience. The specially designed edges maintain a scratch free exterior and protect the screen during falls.
- **Comfortable and safe experience:** Rounded edges provide the perfect grip making your mobile comfortable to hold and use.

2. Fabric Case

- **Fantasy Fabric Protection:** Luxuriate in the softness of premium fabric coupled with the protection of a high quality TPU base that makes the ideal mobile case.
- **Edge to edge protection:** Maximized safety with an edge to edge coverage to keep harmful dust particles away for good.
- **Regal Look:** Gorgeous fabric to complement your unique fashion sense and make a style statement.

3. Jazz Case

- **Glamorous look:** Safety and style meet to create this chic jazz case. Keep your phone safe and look great doing it!
- **High quality edge to edge protection:** Get 360 degree protection with the ideal coverage that keeps your phone away from external damage.
- **Protective Buttons:** Extra coverage with protective buttons for all-round protection.

4. Saw Dust Case

- **Drop protection:** Mixing luxury with utility, the saw dust case contains a TPE interior for convenient drop protection.
- **The Perfect Fit:** Tailored to perfection with your phone in mind, the saw dust case is the right fit for the ultimate comfort and safety experience.
- **Gorgeous finish:** Made with real sawdust particles in a gorgeous deep brown color to take your phone's look to the next level.

5. Bumper Case

- **Fall-proof Raised Edges:** State of the art design techniques including special raised edges create this ideal fall-safe phone case. The bumper case is equipped with shock absorbent materials and impact resistant edges for 360 degree protection.
- **Wireless Charger Compatibility:** The bumper case comes with wireless charger compatibility to make the most of your exceptional device. The precise design allows the case to be inclusive of versatile charging techniques.
- **Perfect Port Access:** The bumper case is designed to fit your phone like a glove. The meticulously designed cover comes with impeccable cutouts to make port access easier than ever before.

6. Earphones

- **Power packed Bass:** Rediscover your love for music with bass that can sync with your heartbeat. The Hyperbass headphones are designed to deliver an exceptional sound that can change your world. The 10mm pure copper enhanced drivers enrich your experience to add some magic to your music.
- **Comfortable Fit:** Make comfort a priority with Reewo's Hyperbass headphones. Designed to sit perfectly in your ears, the Hyperbase headphones ensure a stress-free musical experience that is kind to your ears. Get more convenience with tangle-proof durable cables for the ultimate comfort.
- **Slide Accessibility:** Hyperbass gives you all the control at your fingertips. Improved accessibility in the form of simple slide controls make Reewo's headphones a definite hit.

12. Kevlar iPhone Cable:

- **MFI Certified:** Apple MFI certified to safeguard your iPhone from harm. The Kevlar iPhone cable is designed as an improved iPhone cable with MFI authentication chip to protect your phone from knock-offs.
- **20,000+ Bend Tests:** Made with Kevlar fiber, the cables are a forced to be reckoned with. Kevlar fiber can withstand extreme force and our iPhone cables are created after 20000+ bend tests to ensure a durable and long lasting experience.
- **Superior Strain Relief:** Kevlar iPhone cables come with specially designed strain relief connectors for long lasting usage. The special connectors relieve strain to avoid fraying and breaking apart of the wire. Complete with nylon braiding on the exterior, this cable is the epitome of durability.
- **Apple recognized C48 Chip:** Equipped with the Apple recognized C48 chip for an authentic and safe charging experience.

13. Kevlar Type C Cable:

- **20000+ bend test:** Enjoy the enhanced strength of Kevlar fiber certified for perfection after 20000+ bend tests. Coupled with a state of the art design, this Kevlar cable is the ultimate charging solution.
- **Superior strain relief connectors:** Meticulous strain relief design near the connectors ensures maximum sustainability and a reliable charge.
- **2.4Amps fast charging:** Kevlar Type C cable is reinforced with the right mechanisms for vast compatibility to create a lightning fast and convenient charging experience.

14. Kevlar Android Cable:

- **20000+ bend test:** Made with Kevlar fiber that proves its strength after 20000+ bend tests, this android cable is an all-round charging solution that will last you a lifetime.
- **Super Strain Relief:** Enjoy maximized strain relief and durability with specially designed connectors for your special android device. Kevlar Android cable minimizes strain and uses added protection of the braided exterior for long and comfortable use.
- **2.4Amps fast charging compatible:** Compatible with most adapters, this Kevlar android cable is an all-in-one solution for all your charging needs.

15. Magnetic Cable:

- **N52 Neodymium Magnet:** Powerful N52 Neodymium Magnet to ensure a long lasting and multipurpose charging experience. Good quality magnetic material ensures the longevity and protects cable from damage.
- **3-in-1 Cable for all types of mobiles:** Make life easier with an all in one charging cable for all devices. Combining the power of micro USB, Lightning and Type C, this Magnetic cable is a smart, cross-compatible solution for all your charging problems.
- **Superior nylon braided cable:** Added protection with Nylon braided exterior for a long-lasting cable that can withstand the true test of time.
- **Easy attach/detach:** Putting your phone on charge while multitasking can be a challenge but magnetic technology makes it easier than ever before. Attach your charger minus the hassle with this super convenient magnetic cable.

16. Splitter Cable:

- **Tangle-free nylon cable:** High quality nylon braiding protects the splitter cable from wear and tear for maximized durability. Say goodbye to tangles and frayed edges with the special nylon braiding and perfect finishing of this useful cable.
- **Multitask Efficiently:** Multitasking is now a possibility! Charge your phone, listen to music or transfer data, or do it all at once with this splitter cable.
- **All-in-One Solution:** Don't let a low charge hold you back. Simultaneously charge phone and have some fun with this smart, multitasking splitter cable.
